Thrust Pads • DIN 6311 and low model 22560.0032

Product Description

Combinable with grub screws DIN 6332 with thrust point EH 22540.

Material

• Steel, case-hardened, blackened. Snap ring inlayed.

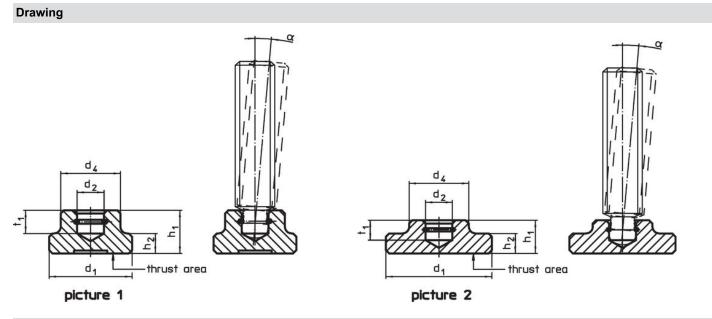

Assembly

The thrust pad is to be held the way the spring retainer lies in the recess with its open side at the bottom. The grub screw is inclined as far as possible in the direction of the open side of the ring and pressed in.
