# **Adjustable Clamping Levers** • with female thread

24400.0613

## **Product Description**

Adjustable clamping levers find versatile applications when the area of use is confined or a specific lever position is required.

#### Material

#### Lever

 Zinc die-cast, plastic coated, silver, similar to RAL 9006, matt structure

#### Threaded part

• Steel, blackened, quality 5

### Inner parts

· Steel, blackened, quality 5.8

#### Operation

By lifting the lever the serrations are disengaged. The lever can be positioned by the serrations. On releasing the lever, the serrations are automatically re-engaged.

#### More information

#### Notes

The threaded portion can be exchanged.
