# **Base Plates** • V70eco

## EH 1200.300 - EH 1200.500

### Product Description

V70eco base plates are a further development of the established V70 product line, optimized in quality and price.
They are fully compatible with the existing V70 T-slot System.

- Locating holes in quality H6 and slots in quality H8.
- Alignment of the base plate on the machine table by means of locating holes and/or centering slot.
- Fastening holes on a 100 mm pitch.
- High-strength tool steel.

Available options (delivery time approx. 10 working days):
a) Additional mounting holes on a 63 mm pitch
b) Additional mounting holes on a 125 mm pitch
c) Exterior stop
d) With connecting rings for Halder Zero-Point Clamping System

#### Material

- Tool steel, high-strength
