# **Tubular Handles •** front mounting 24321.0620

# **Product Description**

Tubular handles are used, for example, on machine doors.

These tubular handles made of aluminium are characterised by their ergonomic and robust construction and modern design. This version is equipped with angled handle legs (legs).

#### Material

#### Handle

· Aluminium, plastic coated, similar to RAL 9005 black, matt structure

# Handle shank

· Zinc die-cast, plastic coated, black, similar to RAL 9005, matt structure

· Plastic, light grey

### Covering

· Plastic, black

### **Assembly**

The handles can be mounted to the component from the front (operating side) using cylinder screws. The hole is closed with a plastic covering.

#### More information

#### **Notes**

Special types on request.
